SPRING BREAK TIPS!

Spring break is a very busy time for coastal communities. An influx of visitors come to breathe in the salt air and have sand between their toes. In order to make your visit to Galveston Island State Park a success, here are some tips.

- Reserve your day pass in advance online
 - Don't ruin your beach day by hearing the park is at capacity.
- Beachside day use pavilions are first come, first serve. Get to the park early to secure a picnic table and grill.
- Save the hassle and use the vendors in the park!
 - Fill your cooler with ice from FOGISP in the beachside day use area.
 - Texas Camp Company rents umbrellas, chairs, kayaks and more.
- Check out what programs are offered that day.
 - Nature Center open every day of spring break from 10 AM- 2 PM.
- Take advantage of the rinse off showers, changing rooms and indoor restrooms, especially for cleanup at the end of the day.
